

Think you can't afford lacrosse camp? Think again.

US Lacrosse, the national governing body for men's and women's lacrosse, is pleased to offer the Camp Scholarship Program for summer 2008.

The program is designed to provide an opportunity for boys and girls ages 6-18 to attend a summer lacrosse camp. Scholarships are available for camps around the country.

Be sure to apply by the April 25, 2008 deadline. Visit <http://www.uslacrosse.org/programs/camp.phtml> for an application and list of donating camps.

One for all.

In order to strictly comply with NCAA rules, players may not be 15 years of age before December 31, 2007 to be eligible. Players that turn 15 after December 31, 2007 are eligible. A completed application form does not guarantee camp placement. Applicants should keep in mind that the scholarship provides camp tuition but may not include transportation, equipment, apparel, spending money, etc. Expenses not covered by the scholarship are the responsibility of the camper.
